DATE : September 12, 2005

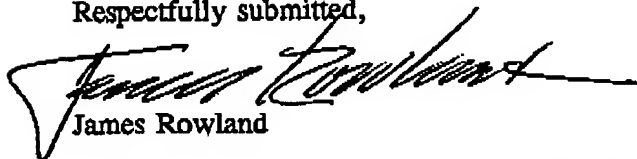

SUBJECT : U.S. Pat. Appln No. 10/634,780  
Attorney Docket No. P24002**Examiner Hale:**

I am transmitting herewith a paper entitled "Interview Summary Record," concerning a telephone conversation I had with SPE John Calvert (Art Unit 3765) this morning.

In your telephone message of Thursday, September 8, 2005, which I discovered Friday morning, you mentioned that a new Office action was mailed on June 28, 2005. That Office action has not been received. The PAIR database of the U.S. Patent and Trademark Office shows no Office action having been mailed since the final Office action dated March 11, 2005.

Although the inextensible due date for responding to that Office action is today, Monday, September 12, 2005, Mr. Calvert stated that Applicants' amendment of May 26, 2005 should have either placed the application in condition for allowance or a new Office action would need to be issued.

Respectfully submitted,

  
James Rowland

Sir:

By voice-message received on Friday, September 9, 2005, by Applicants' undersigned representative, in response to his message left for the Examiner on Thursday, September 8, 2005, the Examiner stated that a new Office action for the instant application was mailed on June 28, 2005.

Such Office action has not been received.

Further, the (private) Patent Application Information Retrieval (PAIR) system fails to identify any such Office action. A copy of a printout for the instant application, dated today, September 12, 2005, is attached for confirmation of there being no

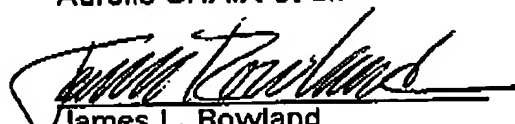

Appln. No. 10/634,780

record of an Office action having been issued since March 11, 2005 (to which Applicants filed a written reply on May 26, 2005).

In view of the Examiner's absence on Friday and today, Applicants' undersigned representative spoke to Supervisory Patent Examiner John Calvert, of Art Unit 3765, on Friday and today. On Friday, Mr. Calvert confirmed that no Office action has been mailed for this application since the final Office action of March 11, 2005. Mr. Calvert reviewed Applicants' reply filed on May 26, 2005 and agreed that the amendment in the reply should place the instant application in condition for allowance, inasmuch as the amendments merely amended the claims to accept the subject matter that had been indicated to be allowable, or, a new Office action would be issued together with the setting of a new period for reply.

In any event, Mr. Calvert advised that the filing of a Notice of Appeal, coupled with a Request for Extension of Time, and the requisite fees therefor, are not necessary, nor the filing of a continuation or other action. Mr. Calvert also advised that it would be erroneous to have the instant application held abandoned at the expiration of the statutory period for reply set in the Office action of March 11, 2005.

Respectfully submitted,  
Aur  le CHAIX et al.
